Dear all,

Stuart and I thought it was about time we thanked you all for your dedication, professionalism and helpfulness over the past sixteen years.

When the telephone is answered you are always polite and friendly and nothing is to much trouble.

As you have grown over the years you have not lost that personnel touch and still make us feel "special" not just another company with accounting problems!

Keep the good work up and we look forward to a further sixteen years of service.

Many thanks

Yours faithfully,
